Our team

We have a professional team of craftsmen who are skilled to install different types of Curtains & Wallpapers to suit your need. We help to coordinate your interior, from enquiry to quotation and recommendation to installation, to build your dream house.

Let us achieve your visions together!

Curtains

Curtains are used as decoration, privacy, security and protection. Curtains have been an important fixture at home because of its ability to add accent to the interior design. The overflowing nature of curtains adds certain appeal to any home design.

Eyelet Curtains

Characterised by simple yet elegant designs, eyelet curtains are a classic choice. A contemporary take on the pencil pleat, dress your windows in striking eyelet patterns.

French Pleat Curtains

The French pleat is a classic drapery heading. It creates a sleek header for a curtain that controls fullness while allowing the curtain full functionality. The fullness is adjustable, depending on decor style, fabric choice, and functional requirements of the curtain.

Ripple Fold Curtains (S-Track)

Ripple fold drapery, a simple and elegant style, is highly sought after by interior designers and architects. They glide easily along the custom tracks. Ripplefold panels are always custom made to seamlessly cover the desired width.

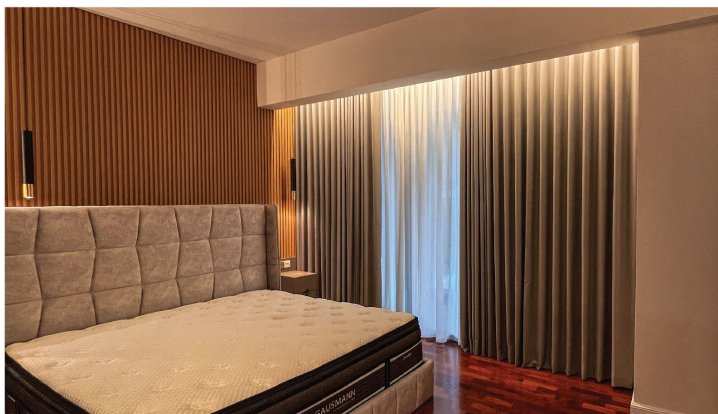

Sheer Curtains

Sheer curtains are a great way to brighten your home, giving you light and airy atmosphere. The sophisticated interior design features also enable you to keep your views of the world outside while helping you to maintain your privacy.

Blackout Curtains

Curtains add to the elegance of your home but more than that they serve the practical purpose of protecting your privacy. Blackout curtains are a practical choice that looks beautiful, protects your privacy and blocks light and noise almost entirely.

Roller Blinds

In today's modern architecture design, glass facades and large windows are very popular. Roller blinds make the most out of the sunlight for every situation to ensure the natural light of the sun is being played around for optimum environment.

Zebra Blinds

Zebra Shades are Roller shades that allow you to transition between sheer and privacy. The blinds can be adjusted so that the 3" zebra stripes line up-offering privacy, light control, and insulation.

Vertical Blinds

Make the most natural light elegant with Vertical Blinds. Easy light control with the pull of ball chain or part in their own sliding track. They are light weight, durable and complete imported fitting. Most suitable for large window and are perfect as attractive room dividers.

Timber Venetian Blinds

Timber Venetian blinds offer the practical functionality of blinds combined with the warm appearance of wood, making them ideal for many areas around the home. Filter the amount of light coming in through your windows exactly how you like it, and maintain your privacy with a simple touch.

Aluminium Venetian Blinds

Aluminium Venetian Blinds have stood the test of time not only because of their aesthetics but because of their functionality. A simple twist of the handle you can control the amount of light filtering through.

Roman Blinds

Roman Blinds offer a modern twist on a seasoned style of window furnishing and roman blinds can be made in blackout, light filtering or sunscreen fabrics that give you infinite colour, lighting and privacy options.

Outdoor Blinds

Outdoor blinds enhance the effectiveness of your space, as they counteract abundance warm loss amid raining and maintain a strategic distance from undesirable warmth pick up amid summers. In this way, you can enjoy the most of your space, regardless of the season.

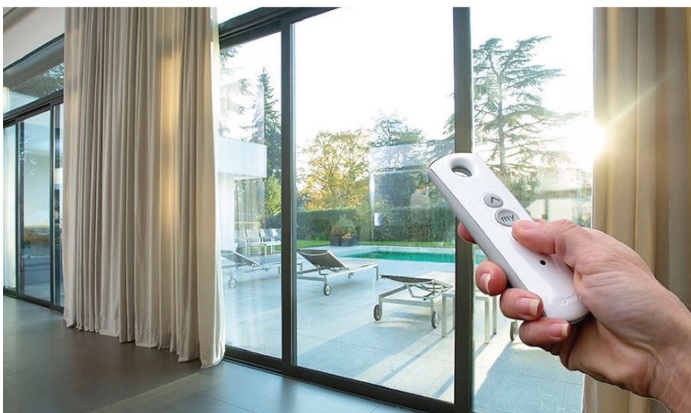

Motorisation

Benefits of motorisation

With motorised blinds and curtain tracks, you can enjoy comfort and privacy with the push of a button.

Electric Curtain Tracks

Electric curtains minimise the damage that occur with manual operation and allow you to filter natural light precisely at the touch of a button.

Electric Roller Blinds

Conveniently open or close your blinds and shades simultaneously. No more cables and strings that get tangled up! With just one click you can open or close your blinds with perfect positioning and alignment.

Wallpapers

Implementing wallpapers is an ideal way to update your interior design without breaking the bank or taking up too much of your valuable time. You can choose from thousands of wall coverings that will enhance any design or decorating style.

Carpet & Flooring

Flooring with an extensive collection of materials makes decorating easier than ever. Make your home or office cosy with a carpet, complete with underlay, or keep it fresh with our choice of Laminate, Vinyl Planks or Stone Polymer Composite.
